In an effort to keep the Center for Aide Regulation and Education training database reflective of current faculty information, when you have an instructor who leaves your facility or becomes inactive, please complete this form and mail or fax it to the Registry. Please remember that should you wish to make changes to your program, including faculty, curricula or clinical sites, please contact this office for guidance. The Nurse Aide I training program telephone line is (919) 855-3970 and the fax line is (919) 733-9764. Thank you for your cooperation.
